

pod ke marne se kya kya dard hai?

Pod mar jaega toh website down ho jaega..

Data loss ho jaega

Pod delete ho gae, node restart ho jae, cluster upgrade ho jae...
Sb case me data loss ho skta hai

/usr/share/nginx/html

Controllers
ReplicaSet and
Deployment

Persistent Volume
and PVC

1. Create Persistent Volume (PV)

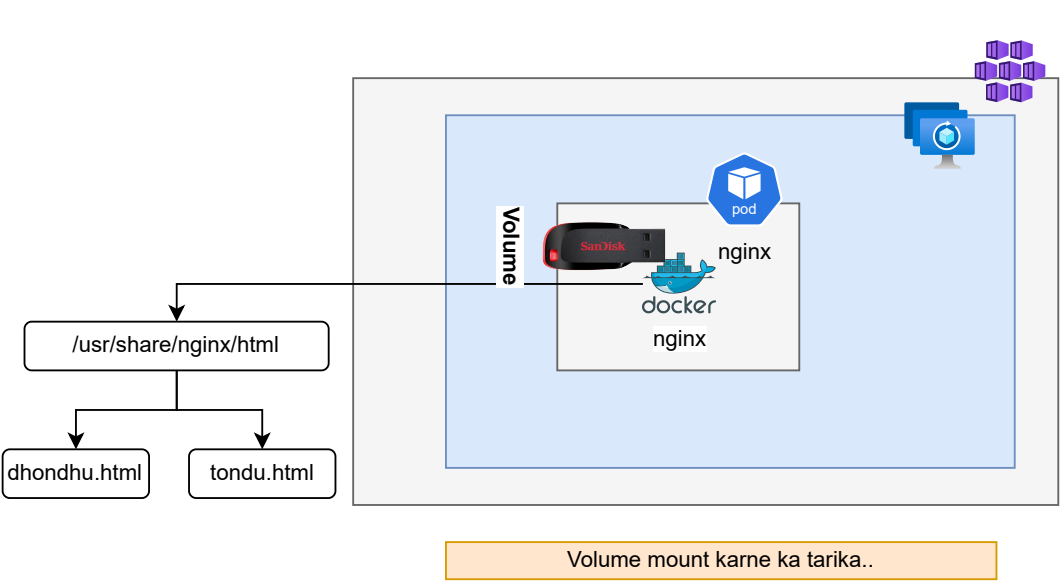

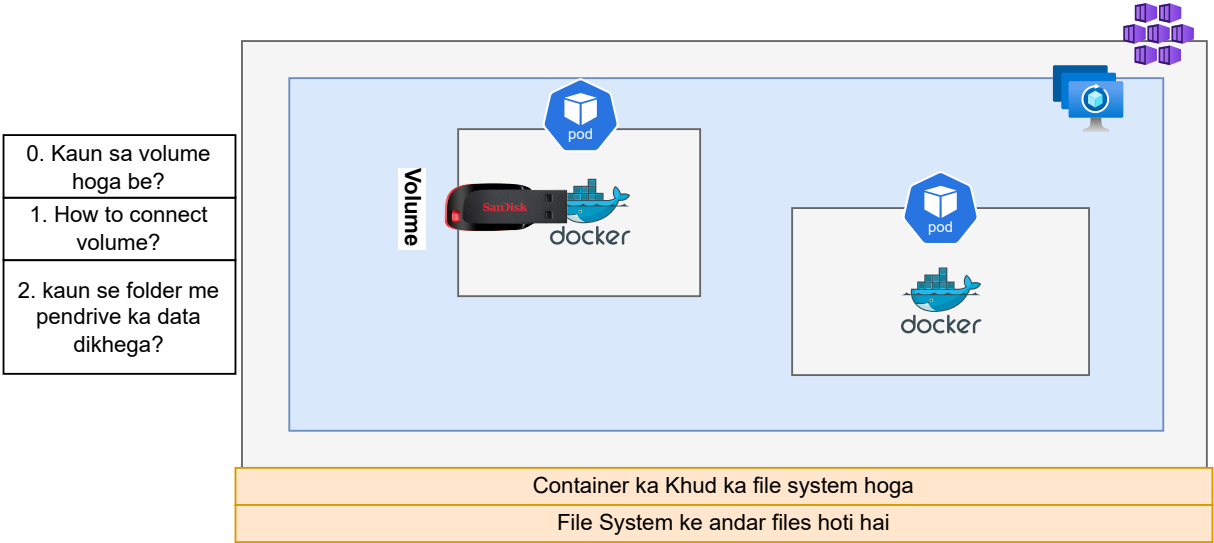

PV kya hota hai?

PV kaise bnta hai?

2. Create PVC

3. Use PVC inside Pod.

Static Provisioning, Dynamic Provisioning(Storage Class)

Types of Volume
1. Empty Dir
2. HostPath
3. configMap
4. secret
5. csi drivers
6. PVC
